AB Uygunluk Beyanı EWS4

Declaration of Conformity

Aşağıda açıklanan cihaz tasarımının aşağıda belirtilen ilgili yönergelere uygun olduğunu ve serinin buna göre üretildiğini beyan ederiz.

We herewith confirm that the appliance described below is in compliance with the governing regulations as mentioned in this form and mass production will be effected accordingly.

Ürün tanımı: EWS4, Elektronik Immobilizer
article Description

Teknik özellikler:
technical data

Frequency Band: 134 kHz (Transponder: TMS37145/TypeDST80, TMS3705 Transponder Base Station IC)

Output power: -16.275 dBpA/m

Üretici: Becom Electronics GmbH
manufacturer Technikerstraße 1, A-7442 Hochstraß

2014/53/AB (Radyo Ekipmanları Direktifi, RED / Radio Equipment Directive, RED):

- EN 62368-1:2014 + AC:2015 + A11:2017, Audio/Video, information and communication technology equipment, Part 1: Safety requirements
- EN 62368-1:2014 (Ed. 2) + Cor.:2015, Audio/Video, information and communication technology equipment, Part 1: Safety requirements
- ETSI EN 301 489-1 V2.2.0 (2017-03)
- ETSI EN 301 489-3 V2.1.1 (2017-03)
- EN 300 330 V2.1.1
